Re: Cost of Fuel

Effective today, due to the continual rise in fuel costs, the below Fuel Surcharge Guideline will be applied to all transportation invoice items. The weekly Retail On-Highway Diesel Prices published by the Energy Information Administration (website http://tonto.eia.doe.gov/oog/info/wohdp/diesel_detail_report.asp) will be utilized to determine the fuel surcharge for the specific date of service. If your Invoice must be processed prior to the close of that week, the prior weekly published fuel cost rate will be utilized.
